Important Safety Instructions:

1. Before using this charger, read the instructions carefully.
2. This charger is intended for use with Li-ion rechargeable batteries only. Attempting to charge any other types of batteries will cause personal injury and damage to the charger.
3. Do not expose the charger or adapters to rain or moisture. Designed and intended for indoor use only.
4. Always unplug the charger when not in use.
5. Pay attention when using Info/Data batteries. Connecting the Jupio Compact Universal Charger to a data pin will damage the battery.
6. Do not operate the charger if it has been subject to shock or damage. If subjected to shock or damage have it serviced by a qualified service technician.
7. Do not disassemble the charger. Incorrect reassembly may result in a risk of electrical shock or fire.
8. Unplug the charger from AC outlet before attempting maintenance or cleaning. Cleaning can be done using a soft cloth.
9. Lithium Battery Pack and Ni-MH/Ni-CD **can't** be charged together.

Status of LED Indicator:

1. GREEN: No battery place or charging process completed.
2. RED: Charging in process.
